What: The Entertainment!

There's a Gunfight at Gunn's Dairy Barn. It's the Bar Brawl and Shootout--your basic tale of good versus bad. Black Bart and his gang are out for vengeance. It seems someone has stolen their horses while they were robbing the bank. Bart's boys try to hang an outlaw when another shot rings out. It's the local deputies charging in and releasing the outlaw. In walks the Sheriff. As the law tries to run Bart out of town, there's a scuffle. Then an all out brawl. Just when the dust settles a shootout erupts leaving all dead, but Black Bart and the Sheriff. One will live to tell the story...Who is the quicker on the draw?
