

## Call for Delayed Coker and FCCU Papers Coking & CatCracking Safety and Optimization Seminar

### *Why give a paper?*

- Give back to our industry.
- Gain recognition for yourself and your company,
- and if you are a vendor, then for your product or service too.

### *What have you done in the last year or two that could benefit our industry?*

- Share a near miss so that others might avoid the same risk.
- Explain a technology you have put into use.
- Tell the Coking or CatCracking Community how you are achieving More Production with Less Risk.

*Refiners, think about giving a 5 to 10 minute update or sharing a story about a project or safety incident."*

Gary Pitman

*I've seen and heard about a lot of different and interesting projects going on recently. I invite you to come to the seminar and tell everyone else about what you've been up to.*

Ken Peccatiello

*Suppliers, how about co-presenting your 30 minute paper with a refiner?*

Bob Ludolph

Send in your abstracts now.
